

REMARKS

After entry of this preliminary amendment claims 23-33 will be pending. Claims 1-22 have been cancelled.

Regarding the Specification

Applicant has amended paragraphs 0016 and 0017 of the specification on page 5 to address an informality and to recite the sheathed cable, the switch showing that the brake means may be operated manually and the safety means. No new matter is introduced by these amendments.

Dated: 12/8/03

Respectfully submitted,

WINFRIED RAUCH
